# The INNER CIRCLE

We've got a book coming out we want you to buy.  
No, really!

As you recall, Carole and I have had some adventures this past year with cancer. Well, now another in our small community is fighting the disease. But he's got a tougher row than we have.

He's Michael-Scot McMurry, well known as the creator of ZONIE THE COYOTE. Cancer, besides wreaking havoc on your body and family, can also do the same to your finances. No insurance is ever enough (believe me, we know this first hand!)

We're doing a little comic book called IN THE ZONE in August. It's 48 pages of art by the BEST in our field. A broad statement, you say? Well, Stan Sakai is doing the cover, does that make the point?

Of course, there's a reason for this. EVERY RED CENT beyond the cost of printing goes directly to Michael. If you buy it at a store, or at a convention, or though Diamond, FM, Bronzebear, Mailbox Books, etc. it's still the same. It goes to Michael to fight his cancer bills.

We want you to buy a copy. Or two, or three. Give them to friends. We guarantee it's going to be a great comic, one you will want anyway, beyond what you will be doing to fight cancer on a personal basis.

Hey, you pay taxes all the time, and never get to decide where the money goes. This time you know.

Mike and Carole
